

Join Encon's Burning Wisdom Fire Protection Showcase!

Dates: Thursday 13th June & Friday 14th June 2024

Venue: Encon & Nevill Long East London
Binary Park, Choats Road, Dagenham, RM9 6RJ

We are hosting our first Passive Fire Protection Showcase for London and the South East in partnership with leading suppliers and our industry's trade body the Association for Specialist Fire Protection (ASFP).

Promat

The event will include supplier display and demo areas, dedicated product training, and informative sessions from Encon's specialist team and from the ASFP.

The Showcase is set to be an enlightening and enjoyable event with the flexibility for you to join as much or as little as you like, to fit around your busy work schedules.

There will also be competitions, prizes and refreshments – **so don't miss out!**

Read on for more details!

Product Workshops and Industry Focus

DAY 1: 13 June 2024 - 10.00-12.30

DAY 2: 14 June 2024 - 09.30-12:00

Below is an overview of the product workshops and industry focus sessions.

Each session will be approx. 25 minutes and have an allocated time on each day.

To help with our organisation and planning, please confirm which day works best for you and which session(s) you are interested in. Email your interest to marketing@encon.co.uk.

Speaker	Topic
Promat	Boarded steelwork protection. This session will focus on structural steelwork protection, why it is required and how it is specified. Promat will also be delivering practical demonstrations on both days..
PFC Corofil	The Code for Construction Product Information – the significance of the Code to contractors and the wider industry and achieving verification.
Rockwool	An overview of Rockwool’s new EN range and significance to the market.
TBA Firefly	Workshops and practical demonstrations on penetration sealing and flexible fire barrier.
Quelfire	Key considerations of a passive fire protection service penetration seal.
ASFP	The Building Safety Act – an overview, the significance of the three Gateways, the Golden Thread and upcoming developments.
Encon	Our role as a specialist distributor in the supply of Passive Fire Protection products.

Thank you.
