

Business Development Manager

Job Description

Company Background

Encon Insulation & Nevill Long is the leading independent UK distributor of thermal and acoustic insulation, interior systems, fire protection, roofing and external façade materials.

As the Distributor of Choice, we take pride in providing the highest level of service and support. We have around 600 employees, with specialist teams dedicated to our key market sectors, and we work hard to add value to every project.

The Role

As a Business Development Manager, you will be responsible for achieving and maintaining agreed levels of sales and profitability within a defined operational area. You will also be expected to establish and grow a stable client base to increase Branch profit through high contribution sales.

In your role, you will report directly to the Regional Sales Director/Branch Director.

Key Relationships

Internally – Branch Director, Regional Sales Director, Branch Sales Team, National Business Development Managers/Directors and Head Office Departments.

Externally – Customers (existing, new and potential) and our Suppliers.

Candidate Requirements

Behaviours:

- Customer focussed
- Good communicator
- Excellent negotiation skills
- Results driven
- A team player
- Detail conscious
- Personable
- Business focussed
- Resilient
- Autonomous

Skills:

- Highly numerate with strong accuracy and attention to detail.
- Proficient with IT, particularly Excel, Word and Outlook.
- Strong written and verbal communication skills.
- Experienced in sales and the construction industry.
- Full UK Driving Licence.

Key Responsibilities

Customer Service & Performance:

- To maintain effective communication, development and engagement at Branch Level.
- To demonstrate a good working knowledge of market conditions and trends.
- To achieve planned sales and contributions by developing trading with target accounts, both new and existing.
- To achieve and maintain agreed plans for sales and contributions by servicing existing accounts.
- To develop sales by opening new trading accounts (within the credit control procedures), by use of pricing competitively for work, making use of trade leads and project tracking information.
- To achieve planned sales and contributions by servicing national accounts within defined area, utilising existing trading arrangements to ensure maximum return.
- To develop sales by promoting new products to appropriate client base.
- To develop sales by cross-selling a range of relevant products, to new and existing accounts.
- To plan sales activities effectively, making the most use of project tracking and leads and journey planning.
- To plan product promotions with suppliers to achieve sales targets.
- To maintain personal prices lists, ensuring possession of full and current set.
- Maintain and develop excellent product knowledge of relevant products.
- Completion of weekly sales reports/ KPI's for Line Manager.

Compliance:

- To issue price quotations in response to enquiries, and to price tender documents in accordance with current policies.
- To offer credit facilities to prospective customers, observing the credit control procedures.
- To take heed of credit control disciplines in the course of all transactions, with particular regard to credit limits and to accounts on suspension.
- Ensure you are familiar with health and safety rules and regulations, and that your responsibilities as an employee, in respect of health and safety, are carried out in full.

This list is not exhaustive and may be subject to local variation.
